TÜV Rheinland (Guangdong) Ltd.

4 digit notified body number:

0035

Reference number of the certificate of notified body

Type of food contact material	Black ceramic non-stick coating
Type of foods which can be used with the product	All types of food
Conditions of use	1. The full migration simulation liquid was tested at 100° C for 4 hours and 175° C for 2 hours. 2. Special migrations simulation liquid was tested at 100° C maximum. Remark: According regulation requirement, lab did test with corresponding temperature.

Does this product contain any EU SVHC substance(s) in a concentration above 0.1% w/w?

☒ Yes ☐ No

If yes, please fill in the SVHC record table you can find in Vendor Central.

It is vendor's responsibility to update and re-submit this confirmation whenever there are changes in manufacturing such as, but not limited to:

- A new manufacturing site
- Changes in design or component materials
- New laws and standards or revisions to existing laws and standards

I represent and warrant that: (i) I am a senior official of the manufacturer/EU representative, (ii) I am responsible for the regulatory compliance of the product and this Declaration of Conformity and (iii) the information I have provided in support of the safety and effectiveness of the product to be true and accurate and does not contain any material omissions. I also agree and acknowledge that any false statement made with respect to the conformity of the product with an applicable recognized standard(s), could result in the suspension of being a vendor for Amazon.
